**One of the most important
questions you could ever ask!**

Is The Bible From God?

**A seminar describing
the evidences for
divine inspiration of
the Bible.**

IS THE BIBLE FROM GOD?

THIS SEMINAR ANSWERS THE QUESTION.

WHY YOU SHOULD ATTEND:

One of the most important questions you could ever ask!

Whatever you choose to believe, it should be based upon reason, logic and evidence. Come hear how a belief that the Bible is from God is based on just that.

If you do not believe the Bible, at least hear the evidences and case for the accuracy, reliability and inspiration of the Bible. Then make up your own mind.

If you do believe the Bible, are you prepared to defend that faith? Are you prepared to give an answer to men as to why you believe?

WHAT WILL THE SEMINAR BE LIKE?

The seminar will be broken up into different lectures. These lectures will cover various evidences for the accuracy, reliability, and inspiration for the Bible being inspired by God. After each lecture, there will be a short period for questions and answers.

WHAT THE SEMINAR WILL NOT BE LIKE:

The seminar will **not** be a religious service. You do not have to participate in any activities except listening and thinking.

There is no admission fee and you will not be asked to make a donation or love offering.

There may be believers and non-believers present, so all may come and freely listen to the case for the existence of God.

WHAT DIFFERENCE DOES IT MAKE?

If the Bible is communication from the Creator of the universe, then we should find out what he wants, why we are here and where we are going.

The questions of life will be answered differently depending upon whether or not you believe the Bible is the true word from God. This seminar could change your life!

WHERE WILL THE SEMINAR BE HELD?
